

SAMANTHA CAMPBELL

multi disciplinary creative

Samantha Campbell is a multi disciplinary creative with qualifications in Graphic Design, Fashion Design and Millinery. Born in Grafton Northern New South Wales, she moved to Brisbane in 2004 to pursue her dream as an artist and designer. She has worked in the fashion industry for over 10 years employed by international brands. Her 7 year role as the Ladies Headwear Designer for Koorringal saw her travel extensively throughout China to design and develop collections of hats and accessories.

Samantha loves engaging in hands-on creative practices such as pottery, weaving, life drawing, sewing, painting and craft activities with her son. In 2014 Samantha and her partner Chris bought a mountain cottage in Beechmont and happily welcomed their son Zephyr in 2016. They tragically lost their home in the September 2019 Sarabah bushfire. In 2021 they decided not to rebuild and instead bought a caravan to travel around Australia seeking adventure and family time.
